

Welcome to Conlanging! Today, we will learn the art of inventing new languages.

Topics we will cover:

1. Reasons for conlanging
2. The International Phonetic Alphabet (IPA)
3. Phonemic inventories
4. Creating words
5. Conjugation of verbs
6. Basic syntax
7. Additional topics (if time permits)

The IPA chart will be printed for you — you do not need to bring it. Paper and pens will also be provided.
